Cabin	Open
Max. lifting capacity	1.800kg
Lifting height	4.800mm
Mast type	Triplex
Clearance height	2.080mm

Description

The CPD18TVL is a compact, 3-wheel forklift with a lifting capacity of 1.8 tonnes and can move pallets up to a height of 4.8 metres. It is suitable for use in small or confined spaces such as warehouses, factories and distribution centres. It is highly efficient, reliable and easy to operate. In addition, its robust design and quality components guarantee a long service life. EP Equipment's new 3 wheel electric forklift features an 80V/205 Ah Li-Ion battery and an internal charger with 220V plug. This makes it convenient to charge anywhere within your company. The big advantage of the Li-Ion battery is that it requires no maintenance, thus significantly reducing the TCO! As standard, this 3-wheel electric forklift truck is equipped with the EP TELEMATICS system, allowing remote monitoring of the battery and immediate reading of truck fault codes by our service department. CPD18TVL features You get a 24-month warranty; Suitable for indoor and outdoor use; Has a maintenance-free lithium-ion battery; Features sideshift, deluxe suspension seat and has full lighting.
