Description

EFL702 The EFL 702 is a powerful and efficient electric forklift truck that is perfect for use in warehouses and storage areas. It has a lifting capacity of 7,000 kg and a maximum lifting height of 5500 mm (optional), making this forklift suitable for moving heavy loads. In addition, due to its electric drive with Li-Ion battery, it has quiet and emission-free operation, or ideally suited for use in controlled environments. The EFL 702 also features an ergonomically designed steering wheel and a good comfortable sitting position, making this forklift easy and safe to operate. If you are looking for a truck that can move heavy loads in your warehouse or workshop, this is the truck for you. EFL702 features 24-month warranty; Is ergonomically designed; Suitable for very heavy loads; Can be used both indoors and outdoors. Li-Ion battery !
